 - Project Listings:
 - New;
 - Renewal;
 - UFA Costs;
 - CoC Planning;
 - YHPD Renewal; and
 - YHDP Replacement and Reallocation.
 - Consolidations and Expansions Forms – must be completed if the CoC is consolidating eligible renewal projects or applying for new projects to expand the operations of eligible renewal projects.
 - Attachment Requirement
 - HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.
 - Things to Remember:
 - New, CoC Renewal, YHPD Renewal, YHDP Replacement and Reallocation Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
 - Project applications on the following Project Listings must be approved and are not ranked per the FY 2026 CoC Program Competition NOFO:
 - UFA Costs Project Listing;
 - CoC planning Project Listing;
 - Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
 - For each project application rejected by the CoC, the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
 - If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

This process may take a few minutes while the project is located in the e-snaps system. You may update each of the Project Listings simultaneously. To review the CoC Planning Project Listing, click on the magnifying glass next to view the project details. To view the actual project application, click on the orange folder. If you identify errors in the project application, you can send the application back to the project applicant to make necessary changes by clicking the amend icon. It is your sole responsibility for ensuring all amended projects are resubmitted, approved and ranked or rejected on this project listing BEFORE submitting the CoC Priority Listing in e-snaps.

Only one CoC planning project application can be submitted and only by the Collaborative Applicant designated by the CoC which must match the Collaborative Applicant information on the CoC Applicant Profile.

WARNING: If you amend project applications back to project applicants to make changes or corrections in e-snaps, you must approve the resubmitted project applications. If you do not approve the resubmitted project applications, they will not be included on your CoC's Priority Listings, which could result in your CoC losing funding. HUD lacks the authority to fund projects unless they are included on the Priority Listings, which informs HUD which projects your CoC is accepting.
